

How to Pray: LORD Teach us To Pray

A relationship without communication is no relationship at all. If we have no prayer life (communication) with God then we have no relationship with God. It is the way we hear Him and the way we realize our need for Him.

If Jesus said that he could do nothing apart from His father how much more do we need to be in close fellowship with God through prayer? (John 5:19, Matt. 14:22-23, Luke 5:15-16)

A failure to pray is usually a resistance to start. Pray until you pray!

It takes faith to pray specifically because we will be able to test if He has answered our prayer.

Two types of prayer:

- 1. Personal Prayer:**
 - A. Communion: Personal communication and requests for help for yourself**
 - B. Intercession: Praying for others with specific requests (Is. 41:21)**
- 2. Corporate Prayer: Praying together (Matt. 18:20)**

Prayer Models:

ACTS- Adoration, Confession, Thanksgiving, Supplication (For communion)

PRAY- Praise, Requests, Adoration, Yield (For intercession)

(Rev. 5:11-13, Ps. 51:10, Ps. 68:18, Ps. 100:4, Ps. 139:23-24, 1 Tim. 2:1, Ecc. 5:2, Luke 6:9-13)
